To Whom It May Concern:

I would like to take the time to thank Aldric Marshall for accepting our invite as the commencement speaker for Westward Elementary International Baccalaureate Magnet School's annual fifth grade Stepping Up ceremony. At Westward we take pride in involving our community within our school projects and functions. As a parent and mentor to students, Mr. Marshall gave a dynamic motivational speech encouraging our youth to put their best foot forward in all of their future endeavors. It was indeed a pleasure having him as our guest speaker and would like to have him return for future engagements at our school.

Again, I thank you Aldric for all that you do at our school.

Sincerely
